

Terms and Conditions New Customer Promotions

From time to time Trade Republic organizes special promotions for New Customers. Three of these promotions are (1) the so-called Free Stock Promotion and (2) the so-called Promo Code Promotion (hereinafter also referred to individually as the "**Promotion**" and jointly as the "**Promotions**"). When establishing the customer relationship, Trade Republic will indicate whether such a Promotion will be held. The Promotions are only valid for new customers of Trade Republic. Each New Customer can only redeem one Promotion.

1. In the case of the Free Stock Promotion, the New Customer is allocated with stocks and/or a fraction of stocks randomly selected from a certain pool of stocks with a value ranging from 5.00 EUR to 200.00 EUR at the time of allocation (hereinafter referred to as the "**Premium**"). Due to the time difference between the time of allocation and the time of the stock purchase, the value of the stock (fraction) may in exceptional cases be outside the specified value range.
2. In the case of the Promo Code Promotion, the New Customer will be allocated with a stock and/or a fraction of stocks randomly selected from a certain pool of stocks with a value ranging from 5.00 EUR to 200.00 EUR at the time of allocation or an exchange-traded fund (hereinafter referred to as the "**ETF**") randomly selected from a certain pool of ETFs with a value ranging from 5.00 EUR to 200.00 EUR at the time of allocation, after the New Customer has entered a promotion code (hereinafter referred to as a "**Promo Code**") during onboarding (hereinafter referred to as the "**Premium**"). Due to the time difference between the time of allocation and the time of the stock/ETF purchase, the value of the stock (fraction)/ETF (fraction) may in exceptional cases be outside the specified value range.
3. A right to one of the Premiums allocated to the New Customer only arises after the New Customer has opened a custody account with Trade Republic and the condition(s) that trigger the Premium have been fulfilled (hereinafter individually the "**Condition**" and jointly as the "**Conditions**"). The current Condition(s) that trigger the Premium are displayed in the app. Insofar as a display of the Premium is already made in the app prior to the Conditions being fulfilled, this is merely a premium opportunity allocated to the New Customer. If, in the case of the Free Stock Promotion and Promo Code Promotion, the Conditions are not completed by the close of the 21st calendar day after the day on which the New Customer completed the account opening, then the right opportunity to entitlement to either of the Premium opportunities shall lapse. The New Customer is not obliged to perform transactions on the custody account.
4. Customers who are or cannot be accepted because, for example, because they do not reside in the country or are younger than 18 years of age, or whose funds are rejected, cannot participate in the Promotions and will not receive a Premium. The same applies to customers who have already been Trade Republic customers in the last six months. If the account has already been terminated prior to the receipt of payment, the entitlement to either the Premium will not apply.

5. In the case of the Free Stock Promotion and Promo Code Promotion the customer already instructs Trade Republic to buy the stock (fraction)/ETF (fraction) allocated to him upon Receipt of Payment on the connected exchange LSX or - if there is a trading failure on LSX - on the connected emergency trading venue. Trade Republic thus executes a commission transaction for the customer. This is executed either on the day of Receipt of Payment or at the latest on the second following banking day. This means that the customer purchases the stocks (fractions)/ETF (fractions) at the then current stock exchange price. With this purchase price, the stocks (fractions)/ETF are also recognized for tax purposes. The payment of the stock (fraction)/ETF (fraction) on the stock exchange for the customer is taken over by Trade Republic and in this respect Trade Republic waives its claim for reimbursement of expenses arising from the right of commission. For the purchase transaction, Trade Republic also reimburses any costs incurred by Trade Republic, in particular the third-party fee.
6. The commission transactions referenced in Sec. 5 are subject to the Online Brokerage Framework Agreement and the associated Special Terms and Conditions. Fractions of stocks are treated like fractions resulting from a securities savings plan (cf. Appendix 2.4 to the Online Brokerage Framework Agreement - Special Terms and Conditions for the Savings Plan). These therefore do not entitle the holder, for example, to attend the annual general meeting, exercise voting rights, etc.
7. The ex-ante cost information of the securities purchase, in the case of the Free Stock Promotion and Promo Code Promotion can be found in Annex 1.
8. The Promotions do not entail any legally binding obligation on the part of Trade Republic. Trade Republic reserves the right to modify or terminate the Promotions at any time without prior notice and without giving reasons.
9. If the transaction to purchase either of the Premiums is cancelled due to a mistrade or other reasons, the customer will be credited the corresponding equivalent value in cash instead of the Premium.
10. The law of the Federal Republic of Germany applies. The organizer of the Promotions is Trade Republic Bank GmbH, Ernst-Schneider-Platz 1, 40212 Düsseldorf, Germany.
